Dear Sir. Henry Vincent Memorial Fund.

I have to thank You for Your letter of the 26th ult. and for the draft therein contained as a subscription on behalf of yourself and son.

The continued depression in trade in this country, & from which I believe you have also suffered, has made my task a very difficult one and many who would gladly

have helped have had to decline through
sheer inability.

I am glad to say however that up
to this time I have a little over
£1100 promised and hope, at any
rate, to get a few hundreds more.

I can very cordially endorse what
you say about our late friend
Henry Vincent, and thank you
for your letter.

Yours faithfully
John Jas Bunner
